Special Education/Special Services Faculty: SEPTA needs YOU!

Dear Special Education/Special Services Faculty Member,

Whether you have been a SEPTA member in years past or not, we hope you'll consider joining SEPTA this year! We had an overwhelming response last year, with over **112** staff members joining!

You are on the front lines with our children every day, and that gives you a unique perspective to offer the organization. We'd love to have your input. What are your suggestions for meeting topics and guest speakers? What input can you offer for our website - your thoughts on trends in special education, ideas for how parents can support and reinforce the benefits of the work you do, etc. We also assure you that parents **are truly grateful to see special education staff at our meetings.**

All faculty members of SEPTA will receive a district mini calendar free!

Be one of the first 60 Special Service providers to join SEPTA (by Sept. 25th, 2011), & you will receive an invitation to our **Faculty Appreciation Cocktail Party** to be held in October. **(Invitations are limited, so hurry!!)**

One of SEPTA's offerings is to award faculty who are **SEPTA members** with grants for materials needed, special equipment, program development, funding for field trips, etc. If you would like to submit a grant request, please visit our website at **eastchestersepta.org** to access the form.

Thank you in advance for considering membership in SEPTA. Your participation will greatly benefit our organization and our children.

Sincerely,
The SEPTA Executive Board
