**Eastchester SEPTA
Faculty/Staff Membership 2022-2023**

Dear Faculty and Staff Members,

Whether you have been an Eastchester SEPTA member in the past or not, we hope you'll consider joining SEPTA this year!

You are on the front lines with our children every day, and that gives you a unique perspective to offer our organization. We'd love to have your input. What are your suggestions for meeting topics and guest speakers? We also assure you that parents are truly grateful to see special education staff at our meetings and events throughout the school year.

One of the benefits of SEPTA memberships is the chance for active SEPTA staff/faculty members to receive **grants** for materials, special equipment, program development and funding for special trips & events. If you would like to submit a grant request, please visit our website at eastchestersepta.org to access the grant tab.

Thank you in advance for considering membership to SEPTA. Your participation will greatly benefit our organization and our children.

A special thanks for all that you do for the students and families in our district!

Sincerely,
The 2022-23 SEPTA Executive Board
